Maintain Your Brain

Presented by: Debra Mittelbach

Come learn the elements of a brain healthy lifestyle and how the choices you make can positively or negatively impact brain health.

Thursday, August 18, 2011

Legal and Financial Considerations

Presented by: Don L. Rosenberg, P.C.

Find out which legal documents everyone should have in place and ways to protect your hard-earned assets.

Tuesday, September 13, 2011

Understanding Behaviors

Presented by: Dr. Wendy Lemere, NP

Learn common behavior changes in people with dementia and how to respond.

**All classes will be held from
6:00 – 8:00 PM in the Gilmour
Conference Center.**

**Please note this is NOT in the main
hospital building.**

Thursday, October 20, 2011

Aging Sensitivity

Presented by: Lynn Eppers, NP

Participate in exercises designed to simulate the experience of common age-related changes, thereby enhancing insight and deepening understanding and empathy for those we care for.

*Class will be limited to the first 20 participants who register.

Thursday, November 17, 2011
